Johnie's Broiler Needs You!
Show Your Support at the Downey City Council Meeting
Tuesday, February 26, 7:30 p.m.

The Los Angeles Conservancy Modern Committee, Friends of Johnie's, and The Coalition to Rebuild the Broiler are excited to announce that

BOB'S BIG BOY
is in negotiations to
REBUILD THE BROILER!

News has been spreading like wildfire since we received the official announcement from the City of Downey that Bob's Big Boy and the

owner of Johnie's Broiler are working together to come to terms on rebuilding The Broiler!

Johnie's Broiler, built in 1958, qualified as a state landmark but was largely, and illegally, demolished last year.

In order to realize this fantastic dream of actually having Johnie's return as a 1950s-style restaurant, we are asking for your support at a very important City Council meeting tomorrow night!

Tuesday, February 26, 2008

7:30pm

Downey City Hall

11111 Brookshire Avenue

Downey, CA 90241

(562) 904-7274

We're almost at the finish line, so please do everything you can to be there!

It would be great if you could speak at the meeting, but if you'd prefer not to, don't worry about it -- coming to the meeting makes a powerful statement! Let's all support the Downey community, who has worked for so many years to preserve this SoCal icon!

If you have any questions, please contact Adriene Biondo, chair of the Los Angeles Conservancy Modern Committee, at (818) 943-6621 or AdrieneBiondo@gmail.com

Thanks in advance for your support!
